

TAX RATES

Estimated tax liability can be calculated by subtracting Exemption amounts from the Full Assessed Value, this result should be divided by 1000, and then multiplied by the Tax Rate. $([\text{Full Assessed Value} - \text{Exemption Amounts}]/1000) \times \text{Tax Rate}$

TOWN PARCELS – Using \$100,000 assessment – 172.03-3-4:
