Town of Orchard Park
4295 South Buffalo Street
Orchard Park, NY 14127

**Re: Brenner Drive / Lexington Avenue Road Reconstruction
Public Information Meeting**

Dear residents:

The Town of Orchard Park Engineering Department has completed the engineering design to reconstruct Brenner Drive and Lexington Avenue.

In order for residents to see the proposed design and relay concerns or comment, project design plans will be available for public review and comments during a public information meeting. Town of Orchard Park Engineering department personnel will be available to answer technical questions or address comments.

We have scheduled a public information meeting for the above-mentioned project on Wednesday, July 8, 2020, at 4:00 PM to 6:00 PM in the **Community Activity Center: 4520 California Rd, Orchard Park, NY 14127 Room 118** to discuss the project. All interested parties are invited to attend.

Face masks are required to attend.
