**Re: Release of Escrow - Final Grading and Seeding in all Disturbed Areas
Pleasant Acres West Subdivision Part 3 Phase 1; PIP #2019-02**

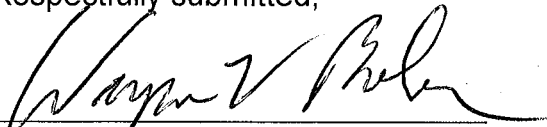

Dear Board Members:

On January 20, 2021, the Town Board accepted dedication of the public improvements constructed in the above referenced subdivision with the stipulation that funds paid by the contractor be held in escrow until final fine grading in ROW, and seeding and mulching in all disturbed areas was completed.

The contractor has since completed final fine grading in ROW along Golden Crescent Way, and seeding and mulching in all disturbed areas. The work was inspected by the Building and Engineering Departments and found to be in compliance with Town specifications.

I, therefore, recommend that you authorize the Town Clerk to release to Anastasi Trucking & Paving at 4430 Walden Avenue, Lancaster, New York 14086, the \$10,000 held in escrow for final fine grading in ROW, and seeding and mulching in all disturbed areas in the Pleasant Acres West Subdivision Part 3 Phase 1 PIP #2019-02.

Respectfully submitted,

Wayne L. Bieler, P.E., CFM
Town Engineer

**Re: Bussendorfer Road Paving Project
Bid Award**

Dear Board Members:

Bids were opened for a separate Bussendorfer Road Paving Project on November 10, 2021 as directed. The project consists of 3,300 linear feet to mill and overlay portion of Bussendorfer Road. The project was bid on a lump sum basis for this road reconstruction work items. The Engineering Department has reviewed those prices of the three contractors, who submitted bids. This Department performed a review with Andy Slotman, Orchard Park Highway, of all bids submitted, and compared them against the Engineer's estimate of \$85,000.00. The lowest bid submitted for the base bid is \$84,750.00, slightly lower than the engineer's estimate for the project.

Attached is a tabulation of bid results showing the lump sum amounts from each bidder. Contractor submissions were checked for math errors, NO ERRORS were found.

The low bidder for this project is Millherst Construction, Inc. The company has successfully completed various road projects in the past in the Town.

I, therefore, recommend that you adopt the following resolution:

1. Award the contract for the Bussendorfer Road Paving Project to the lowest responsible bidder, Millherst Construction, Inc., 10025 County Road, PO Box 430, Clarence Center, New York 14032 in the amount not to exceed \$84,750.00.
