COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM**

PUBLIC HEARING

October 19, 2022

The Town of Orchard Park may be eligible to receive Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD) for the 2023 Program Year. The purpose of this public hearing is to provide an opportunity for citizens to discuss the needs of the community as outlined in the official notice (*page 7*).

The Town is one of 34 municipalities in the Erie County CDBG Consortium. This year the Consortium will receive a grant of approximately \$3.2 million from HUD. The grant will be divided into four spending categories: 27% for Community Projects; 27% for Housing; 27% for Economic Development; and 19% for Administration and Planning.

To be eligible for CDBG funding, a proposed project must satisfy one or more of the following national objectives:

- I. - BENEFIT LOW AND MODERATE INCOME PERSONS
- II. - CORRECT SLUMS AND BLIGHT
- III. - MEET AN URGENT COMMUNITY NEED

These objectives are further described below.

I. BENEFIT LOW AND MODERATE INCOME PERSONS

Area Benefit: For a project to benefit low and moderate income persons, it is required that at least 40.34% of the residents of the specific area targeted be at or below the criteria of the Income Eligibility Schedule on *page 4*. Data from the 2010 U.S. Census shows that there are 4,360 low and moderate income persons within the Town and 465 in the Village (Total = 4,825).

For a specific area to qualify, an independent income survey must be performed for the targeted area.

Limited Clientele: All elderly, homeless, and handicapped residents are presumed eligible regardless of their location within the Town or their income levels. For a project to be considered under this category, at least 51% of the benefiting persons must be classified as limited clientele.

II. CORRECT SLUMS AND BLIGHT

For an area to be designated as a slum or blighted area, there must be a substantial number of deteriorated or deteriorating buildings or public improvements throughout the area. The project must address one or more of the conditions, which contributed to the deterioration of the area. Currently there are no such areas in the Town of Orchard Park.

III. MEET AN URGENT COMMUNITY NEED

To comply with the objective of meeting an urgent community need, the project must alleviate existing conditions that have developed or become critical within the past 18 months and:

- Pose a serious and immediate threat to the health and welfare of the community,
- the grantee is unable to finance, and
- other resources of funds are not available.

ELIGIBLE ACTIVITIES

- Acquisition of Real Property for a Project
- Public Facilities and Improvements
- Public Services
- Removal of Architectural Barriers
- Historic Preservation
- Commercial or Industrial Rehabilitation
- Special Economic Development
- Program Administration Costs

Page 5 outlines the history of CDBG funding in the Town of Orchard Park. Since its inception in 1976, the Town has received over \$3.0 million in grants and loans under this Federal program. Page 6 lists the various projects for which the Town has utilized its block grant monies.

There is a maximum grant of \$150,000.00 per project with a maximum of two projects funded per municipality. Applications for this year's Community Development Block Grant funds must be submitted by Monday, October 31, 2022.

Some suggested projects in the Town of Orchard Park which may qualify for funding in 2023 include:

<u>PROJECT</u>	<u>ESTIMATE</u>
Town Specific - NONE	\$0.00
<u>CDBG - Rural Transit Service (participation in the existing program w/ 18 towns, 7 villages)</u>	\$30,000.00 +/- (no matching funds required)

Last year the Town submitted an application for the O.P. Senior Center Improvements through the CARES ACT program. The Town also issued a letter of support for the Rural Transit Service Program. The Rural Transit Service Program was funded.

It is likely that the Town will again submit an application/letter of support for funding to continue our participation in the Rural Transit Service Program. This program provides van transportation for eligible citizens. Trips can be for any reason but are prioritized for medical and health concerns. Orchard Park currently has 168 registered users in this program.
