**Re: Proposed Change Order #3 – Additional Bank Run Gravel
Brush Mountain Community Center
Bocce Ball Courts Contract**

Dear Board Members:

During the construction of the project, the design elevations of the Bocce Ball Courts were raised to better meet existing conditions, ground water table, and possible future construction of a shelter. Additional bank run gravel was needed to raise the walkways between the courts in the amount of \$2,900.00. This will change the total contract amount to \$73,850.00 representing a 4.087% increase.

There is presently \$404,000 allocated under Parks & Recreation T20079 to fund this project as directed by the Town Board for the original contract. Brush Mountain Community Activity Center AB004 Brush Mountain Community Center also could be used.

I therefore recommend that you approve change order #3 to our contract with Matt Kolo Excavating Inc. for the OP Community Activity Center Bocce Ball Court Construction Project in the amount of an increase not to exceed \$2,900.00.

Respectfully submitted,

Wayne L. Bieler, P.E., CFM
Town Engineer
